Women in Technology Announces Call for Nominations for the Eighth Annual Leadership Awards

Winners to be Announced at May 17, 2007 Awards Gala

ALEXANDRIA, Va. – March 21, 2007 – Women in Technology (WIT), the premier organization contributing to the success of professional women in the Washington technology community, announces that nominations for the Eighth Annual Women in Technology Leadership Awards will close on March 30, 2007. Finalists will be announced in mid-April and the winners will be honored at the awards banquet on Thursday, May 17, 2007 at the Hilton McLean in McLean, Va.

Both WIT and non-WIT members at technology companies, government agencies or affiliated organizations are eligible to enter. Women who have excelled as role models, mentors or leaders are encouraged to apply.

“The theme of this year’s Annual Leadership Awards, ‘Leadership to the Power of Women in Technology,’ embraces the strength, power and drive of female leaders on multiple levels,” said Marguerete Luter, president of WIT. “I look forward to once again recognizing the considerable talents of local female business leaders at our annual gala.”

There are five awards categories in which WIT is soliciting nominations: Corporate Leadership, Entrepreneur Leadership, Government Leadership, Women in Technology Champion and Rising Star. For more information on the awards, including submissions and sponsorship, please visit www.womenintechnology.org.

About Women in Technology

Women in Technology (WIT) is a not-for-profit organization dedicated to offering women involved in all levels of the technology industry a wide range of professional development and networking opportunities. One of the organization’s main goals is to create a forum where women in technology can be recognized and promoted as role models. The organization’s values are embodied in its tag line: *Connect. Lead. Succeed.* Founded in 1994, WIT is dedicated to serving women in the Washington, DC area and has nearly 1,000 members. For more information, please visit WIT’s web site, www.womenintechnology.org.
