

# CHANGE THE WORLD BY BEING YOURSELF

FEATURING MEREDITH WALKER, EXECUTIVE DIRECTOR OF AMY POEHLER'S SMART GIRLS

## ABOUT THE EVENT:

If we want to lead a life we find more interesting; one based on our truest and most honest self, we will first have to dare to embrace our individuality. If we continually give in to what the world tells us to do and be, we will never discover the person we could be and never achieve something more substantial. That "something more" is within each of us.

Our featured speaker, Meredith Walker, befriended Amy Poehler while she worked as Head of Talent for SNL and the two co-founded Amy Poehler's Smart Girls. Through the telling of her own story, Meredith provides creative ways for her audience to appreciate their truest selves and embrace them as a source of strength and encouragement.
